*Thank you so much for the items we received. After getting my baby earlier this year, many of my clothes couldn't fit me any more. The clothes you sent enabled me to change my wardrobe without having to spend money. This has helped me meet the other costs of having a baby without stressing too much. Also, I get to look amazing and feel good about myself ❤️ I also received lots of cute baby clothes that have helped my children.*

Your kindness and generosity mean a great deal to us, and we feel incredibly grateful for your thoughtfulness. As a small token of appreciation, I've attached a picture of the gift, which will always remind me of your generosity and friendship. Thank you once again for being such a blessing to us.*

*This is Karani, a son of one of the Staff at YFC. Karani loves to cycle and everyday as he goes to bed one of the things he always prayed about was to get a bike. He always said " God give me a big bike" and through CRW God provided this little one with the bike of his dreams. As he cycles around the estate changing gears on the narrow dusty roads he is grateful for this gift.*
