

## 2022 Year of Ukraine Crisis Response

Our heartfelt thanks to all of our regular supporters (noted on the right) plus ICROSS Canada, Ukrainian Society, Dodd's Furniture, Salvation Army, businesses, local schools, citizens of all ages and nationalities across Canada. When a specific need was expressed for the Ukraine, it was truly overwhelming to see the swift outpouring of care and concern, gathering and providing much needed items.

With all this additional support and donations, CRW was able to send 4 full containers of food to Poland/Ukraine; 2 medical loads, 1 container filled with building materials to assist in converting 3 purchased containers into mobile medical clinics, plus 5 other mixed loads. With amazing support from The Times Colonist, Global TV, CHEK news, Black Press and many others in helping to get the word out, relief efforts for Ukraine are ongoing. Donations are still pouring in and we will continue to respond in 2023.

CRW's humanitarian support for the people of Ukraine.
