

As I look back on the year I am so thankful for the many opportunities the Lord opened up for me and the team at the Compassionate Resource Warehouse to support ministry work in many nations, and what is currently starting to come together for 2026. Let me share some highlights.

### **YFC The Gambia**

- many desks, school supplies and books to support their four schools, providing Christian education in a country that is 95% Muslim and over half the population is below the poverty line. Many students are able to be at school because of scholarships provided.
- \* shirts and materials for their leadership development program
- \* part of their nation wide gospel tour was visits to prisons where they were able to share essential women's hygiene items and a message of hope
- \* cooking and baking items for their Catering Empowerment Program
- \* seeds and gardening supplies, plus many carpentry tools, for helping young people to develop a skill (not shown)

## Bearing Fruits & YFC Ghana

- \* school desks for rural schools where they had no desks and a lack of chairs, plus bikes for teachers
- \* the joy of learning to ride a bicycle for the first time!
- \* a blind man beaming as he received a new shirt, pants and sheets
- \* sewing kits, fabric and sewing machines received for YFC's Fashion Design Training, allowing many teen mom's and other young women to find a way forward with restored hope

### Looking Ahead

- about a month ago I was introduced to the National Director for **YFC Malawi** and heard about the many ways they are reaching and supporting young people in their nation. We are working towards sending them a container in 2026.
- \* I reached out and got connected with the **YFC Jamaica** team to see if we could help in the aftermath of hurricane Melissa. We are praying that the government will give us an open door to send a container of supplies as YFC reaches out to provide help in the hardest hit regions.

Please pray as I simply try to follow the Lord in whatever way He wants to lead me and build His Kingdom work in the nations. What an exciting year it proves to be! You could also consider giving a year end gift that would help me to launch into the new year. See the links below.

Thanks for praying and supporting me on this journey of faith!
